Sawatdee Thai Restaurant

Authentic Thai & Classic Viet Cuisine

WELCOME TO SAWATDEE THAI

A true gourmet Royal Thai and traditional Viet cuisine awaits you at Sawatdee Thai Restaurant. Here we've put together a selection of our most popular, mouth-watering dishes to give you just a taste of the wide variety of Thai & Viet cuisine.

At Sawatdee Thai, you'll find foods based on the foundation of a healthy lifestyle. We combine herb ingredients based on the specific seasons. Many ingredients in Thai and Viet cuisine have medicinal benefits such as galangal, which is known to aid in digestion and relieve arthritis pain; lemongrass can assist in the relieving cold and flu symptoms; chillies can aid in a restful night's sleep and keep your heart healthy; ginger and peppers warm your body for chilly winter nights in Winnipeg.

Although many people assume that Thai food is spicy, this is not necessarily the case. Most that Thai dishes are actually quite mild. At Sawatdee Thai you can have both spicy dishes and non spicy dishes, just simply ask the server for it, or go for Viet style, chilli pepper are on side.

Good taste and fine cuisine take time to prepare and cook, so sample our tempting appetizers and flavorful soup before your delectable entrée. Or try our traditional Thai beer; Singha, Amarit, Chang or for a change try a Vietnam beer Saigon. We also have an extensive selection of wine.

Thank you!!!!!!
